

17th International Conference on Innovations for Community Services

26 - 28 June, 2017

Deutsche Telekom @ Darmstadt – City of Science, Germany

“Technology inspires Innovation”

Call for Papers

I4CS solicits submissions of unpublished papers presenting research results, industrial experiences and applications, as well as detailed specifications of open problems.

Electronic submission is required. Full papers of no more than 16 pages and written in English should be submitted as PDF files using the EasyChair I4CS 2017 conference management system. All Submitted papers will be subject to a single-blind review process by at least three members the program committee.

I4CS conference 2017 will publish their proceedings with Springer in Communications in Computer and Information Science (CCIS) series. In addition, the papers will be submitted to indexing libraries, e.g. dblp.
