

I4CS 2017 – Call for Papers (CfP)

17th International Conference on Innovations for Community Services (I4CS 2017)
Darmstadt – City of Science, Germany, June 26-28, 2017
URL: <http://www.i4cs-conference.org/>

Scope

Interdisciplinary thinking is a key success factor for any community. "Technology inspires Innovation" is the motto of the 17th I4CS, to be held in Darmstadt – City of Science/Germany, June 26 till 28, 2017, dedicated to challenging aspects around modern community services.

Due to the rapid evolution of web technologies and rich mobile Internet devices, ICT support for communities is possible on the next quality level. In search of innovative solutions, multi-disciplinary collaboration among researchers, service providers and industry partners is essential to invent novel Internet community systems and services.

Conference Topics

Technology: Distributed Architectures and Frameworks

- Infrastructure & models for community services
- Data structures & management in community systems
