

Submission

Authors Instructions

We solicit submissions of unpublished papers presenting research results, industrial experiences and applications, as well as detailed specifications of open problems. Full papers of no more than **10 pages** written in English should be submitted as PDF files using the EasyChair conference management system. All submitted papers will be subject to a double reviewing process by the program committee. For the preparation of your paper see Authors Instruction .

Papers will be reviewed regarding the following criteria:

- Accordance to the state of the art
- Degree of novelty and innovation
- In the focus of the conference
- Fitting the style instructions
- Level of language and presentation

All accepted contributions will be included in the pre-proceedings of the I²CS 2009 in the series Lecture Notes in Informatics (LNI) by the Gesellschaft für Informatik (GI).

Please, use the EasyChair conference system to upload and manage your paper submission. You can find a small "How-To" in the Authors Instruction . Papers have to be submitted in **PDF format** only.

Please submit your paper here!

Please note:

You will need to create an EasyChair account, if you have not already done so. Your existing account can be reused.

For the submission in EasyChair, you need to provide several information on your contribution (address for correspondence, authors, title and abstract, keywords). These information can be provided in advance without submitting the full paper itself. We recommend to do so! You can update all your information and of course your paper submission at any time as long as the submission is not closed.

For direct inquiries about your submission contact us by mail .
